streamline payments for fleets and brokers

Relay's integration allows fleets and brokers to completely automate their lumper payments in Strategy Systems, resulting in a quicker and more effective process.

Benefits of the Relay & Strategy Systems Lumper Integration:

Eliminate late night calls by automatically generating RelayCodes for your drivers to use at warehouses

Improve the driver experience by providing an easy-to-use payment method that saves time on dock

Mitigate the risk of fraud by using secure digital payments

Improve back office operations by receiving instant receipts and charges in Strategy Systems that are allocated to the right shipment on dock

RELAY BENEFITS

Relay analyzed more than 500K transactions to determine that the average lumper fee is \$175

If your company makes 1,000 lumper payments a year, that's a savings of \$17,500 annually

An average of 10% of all lumper fees are not reimbursed due to lost receipts

Added time savings: drivers spend 45+ minutes on dock when paying with cash and checks

With Relay, users get off the dock at least 20 minutes faster

With Relay, users get reimbursed 100%
